

WELCOME CLASS OF 2030 5-Year-Old Kindergarten Registration

WHO: Children in the School District of New London who will be five years old on or before September 1, 2017 are eligible to register for 5-Year-Old Kindergarten for the 2017-2018 school year. **If your child is currently attending 4-Year-Old Kindergarten in the School District of New London, you do not need to register him/her for 5-Year-Old Kindergarten as we have the necessary registration information in our data base.**

WHEN: January 30-February 3 from 9:00 a.m. - 3:00 p.m. at all public elementary schools in New London. Please call Julie Haase at (920) 982-2011 if an alternate time is needed.

WHAT TO BRING: Child's Birth Certificate or Baptismal Record
Child's Immunization Record
Completed registration materials

Children do not need to attend registration with you. If you do not plan to send your child to public school or if our census information is incorrect, please call our office at (920) 982-2011 so we can make the necessary corrections. Registration packets will be mailed out the week of January 9.

The school district uses the number of children who register to formulate plans for the coming school year. This information determines the number of teachers and classrooms needed, where the classrooms will be located and even preliminary bussing needs.

A special Kindergarten Visitation Day will be taking place on May 12th. Information about Kindergarten Visitation Day will be mailed to all incoming kindergarten students and their families.

If you have a child, or know of a family with a child who is eligible to attend 5-Year-Old Kindergarten in the fall, please contact Julie Haase at (920) 982-2011 with any questions. Information about the 5K program can also be found on the district's website: www.newlondon.k12.wi.us
