EQUAL OPPORTUNITIES IN EMPLOYMENT - CURRICULUM - ACTIVITIES

March 29, 2020

New London School Community,

Thank you to all students, families, and district employees that are engaged in our current digital/distant learning process. Your effort, flexibility, and commitment to foster "Success For All Students" has been tremendous.

Digital/Distant learning will continue through Friday, April 24th, unless directives from the State of Wisconsin alter the end date.

I understand that we are all on a journey as a school community, state, and country as we actively address the COVID 19 pandemic. Thank you for doing your part to mitigate COVID-19. It will take everyone's effort to flatten the COVID-19 curve. Your active support to follow the "Safer at Home" emergency order from Wisconsin State Governor Tony Evers is highly recommended. With spring-like weather upon us. Be sure to refrain from group settings and places where individuals may gather. Additionally, children should refrain from play dates with friends and peers, even if it is in a small group setting.

As a school community, we will strive to continue to meet the needs of our students and families. Lunch/breakfast meal distribution will remain ongoing with our rural routes and distribution sites at UCC Church, New London Intermediate Middle School, and New London Senior High School Monday through Friday between 11:00 am and 1:00 pm. Meals are available for all children from birth to age 18. Reminder all meals are free.

Our District is privileged with dedicated teachers, support staff, principals, directors, and the Board of Education ready to serve our school community. I encourage you to have frequent and open communication with District staff as necessary to address questions, concerns, or perhaps to say thank you.

During this unprecedented time, find ways to engage in something meaningful that will allow you to rebound and recover from the daily stress and unknown that may build within your life and in the lives of our children. With a purposeful meaning mindset, we will all rebound and recover to manage our stressors and conquer COVID-19 .

Sincerely,

Scott Bleck
District Administrator
