April 5, 2020

New London School Community,

Thank you, students, families, and district employees for your continued efforts to support the School District of New London.

As we enter the third week of digital/distant learning, I am hopeful students, and parents/guardians are becoming comfortable with established learning platforms and routines. Just as the phrase states, "Rome was not built in a day," our instructional delivery with students and families will continue to evolve to meet the needs of our school community every day. Note that digital/distant instruction will take place on April 6 and 7. Our District Spring break will be recognized April 8 - 13. Digital/distant instruction will resume on April 14.

Digital/Distant learning will continue through Friday, April 30, unless directives from the State of Wisconsin alter the end date.

Continuation of meal distribution will be ongoing until further notice. Note that meal distribution will additionally take place on April 8, 9, and 13 with our rural transportation routes and in town distribution locations at UCC Church, New London Intermediate/Middle School, and New London High School Monday through Friday between 11:00 am and 1:00 pm. Meals are available for all children from birth to age 18 and are free.

I encourage you to have continued frequent and open communication with District staff as necessary. Let us all do our part to mitigate COVID-19 from our community, state, and country. Our collective effort is the key to success. **Stay focused, and positive!**

Sincerely,

Scott Bleck

Scott Bleck
District Administrator
