# School District of New London Summer Program Guide 2023

**Session 1: June 5 - 22**

Recovery/Remediation/Intervention

**Session 2: July 10 - July 27**

3 week programs and mini week sessions

**\*With few exceptions, there will be NO courses on Fridays**

The purpose of The School District of New London Summer School Program is to provide opportunities for learning beyond the traditional school year. With a commitment to **Success for ALL Students**, we offer something of interest for all ability levels. Courses are designed to offer enrichment and intervention of skills as well as expose students to new applications of knowledge and talents.

## **Intermediate and Middle School - June**

**Josh Murnane**

920-982-8532 ext. 2206

[jmurnane@newlondon.k12.wi.us](mailto:jmurnane@newlondon.k12.wi.us)

**Remedial Courses:** Students who have received an incomplete or failing grade in English Language Arts or Math are strongly encouraged to enroll and attend. Families will be contacted by school staff to sign up.

**Dates: June 5 - June 22**

**Times:** Monday - Thursday 8:15 a.m. - 11:45 a.m. for students currently enrolled in grades 5-8 at the ISMS

**Strength and Conditioning Session 3: Beginner**

**Dates: June 12 - July 20**

**\*\*\*Classes will run from June 12 through July 20. There will be NO CLASS on Tuesday, July 4, 2023.**

Additional information including health updates, etc., will be required and will be sent after registration is complete.

**Times:** Monday, Tuesday & Thursday 10:30 a.m. - 11:30 a.m.

**Students entering grades 8 & 9**

**Registration Code SCS3**

This session is meant for incoming 8th grade and incoming freshman students who are looking to learn more about the weight room and the basics of strength training. Agility, plyometrics and strength programs are the main focus of this class. Session 3 will give you a sound base for strength training and is a great way to begin your weight room experience and will be held at the New London High School.

# High School - June

Jennifer Bruce

920-982-8420 ext. 1004

[jbruce@newlondon.k12.wi.us](mailto:jbruce@newlondon.k12.wi.us)

## Credit Recovery:

**Dates: June 5 - June 22**

**Times:** Monday - Thursday 8:30 a.m. - 11:30 a.m.

**Students entering grades 10, 11 & 12**

Students who have received an incomplete or failing grade in a core class are strongly encouraged to enroll. Families will be contacted by the school counselor.

## Health:

**Students entering grades 9-12**

This class will be taught as an on-line course. Students will be expected to complete the course prior to the start of the 2023-2024 school year. Students who did not complete part of the .5 Health requirement during 7th or 8th grade, and transfer students, will be contacted by their school counselor to enroll in this program.

## Summer Strength and Conditioning:

All sessions will meet each day at New London High School in the fitness center.

**\*\*\*Classes will run from June 12 through July 20. There will be NO CLASS on Tuesday, July 4th.**

Additional information including health updates, etc., will be required and will be sent after registration is complete.

### **Session 1: Advanced**

**Dates: June 12 - July 20**

**Times:** Monday - Thursday 7:30 a.m. - 9:00 a.m.

**Students entering grades 9-12**

**Registration Code: SCS1**

This session is designed specifically for athletes that compete in high school athletics throughout the school year. This session will incorporate major lifts, functional training, agility, plyometrics, and has a specific focus on acceleration, multi directional speed and reaction time. This session is meant to prepare athletes for upcoming athletic seasons and is only for individuals who have experience in the weight room. They have either taken weight training during the school year with Mrs. Yerkey or have consistently been to open lift in the mornings at the high school. This is an **advanced** session.

### **Session 2: Experienced**

**Dates: June 12 - July 20**

**Times:** Monday - Thursday 9:00 a.m. - 10:30 a.m.

**Students entering grades 9-12**

**Registration Code SCS2**

This session begins with a dynamic warm up, agility and plyometrics. Then the course will move into strength training. Students will get into entry level speed training and functional training, which is similar to session one but the volume of training will be different as there will be a gradual increase in the level of difficulty of each skill. This session is meant for incoming students who have had experience in the weight room.

**Session 3: Beginner**

**Dates: June 12 - July 20**

**Times:** Monday, Tuesday & Thursday 10:30 a.m. - 11:30 a.m.

**Students entering grades 8 & 9**

**Registration Code SCS3**

This session is meant for incoming 8th grade and incoming freshman students who are looking to learn more about the weight room and the basics of strength training. Agility, plyometrics and strength programs are the main focus of this class. Session 3 will give you a sound base for strength training and is a great way to begin your weight room experience.

## JULY FREE SUMMER FOOD PROGRAM

Feel free to call 982-8540 with any questions.

Learning does not end when school lets out. Neither does the need for good nutrition which is crucial for children to have healthy and productive summers. The summer food program provides an opportunity to continue a child's physical and social development while providing nutritious meals.

### Who can participate?

**All children** age birth through 18 are eligible to receive **FREE** meals. No need to sign up or apply for the program, just come and enjoy tasty and nutritious meals. Enrollment in summer school is not necessary.

### Dates & Times?

All meals will be served Monday through Thursday **July 10 - July 27 at Lincoln Elementary. Students enrolled in the ISMS Summer School programming will have breakfast and lunch grab and go options.**

Breakfast will be served from 7:45 a.m. - 8:30 a.m.

Lunch will be served from 11:30 a.m. to 12:00 p.m. for traditional summer school and open to the public from 12:15 p.m. to 12:30 p.m.

**\*\*\* LINCOLN ELEMENTARY SUMMER SCHOOL LUNCH: IF YOUR CHILD IS ENROLLED IN THE TRADITIONAL SUMMER SCHOOL PROGRAM AT LINCOLN ELEMENTARY, LUNCH IS INCLUDED IN THE DAY. ALL STUDENTS ARE EXPECTED TO STAY FOR LUNCH AND WILL BEGIN DISMISSAL AT 12:00 P.M.**

## K-8 Transportation

Limited bussing will be provided for students from designated pick up/drop off sites to Lincoln Elementary. **Bussing is only available during the July 10 - July 27 session.** Below are tentative pick-up and drop-off locations. Pick up will be arranged to allow arrival for the 8:00 and depart by noon.

- WHEN YOU REGISTER FOR COURSES, YOU WILL HAVE THE OPTION TO CHOOSE BUS TRANSPORTATION, IF IT IS NEEDED. Please note, it will not be individual house pick up, but centralized stops based at the locations below. There will be two bus route options, North Bus & South Bus. Please select the bus route you would need based on location.
  - Pick-Up/Drop-Off locations for bus routes may be altered based on passenger enrollment
  - Please note, Sugar Bush Elementary School will be under construction, but if it is not available as a pick-up/drop off location due to construction, an alternative location will be communicated closer to the date.
- **New London transportation office contact (920) 982-8543.**
  - If transportation will not be needed, please enter Busing Code: **NOBUS**

Log into Skyward Family Access

(for assistance, or if you need to request a login, please contact [lbaehman@newlondon.k12.wi.us](mailto:lbaehman@newlondon.k12.wi.us))

**Enroll Now!**

- Any student entering K-12th Grade is eligible to attend the School District of New London's Summer School Programs.
- Summer school is a FREE service.
- During the free meal window, students ages 18 and under are able to receive free breakfast and lunch even if they are not registered for Summer School. These meals will be provided at Lincoln Elementary School.
- If you are new to the district, from a private school, or attend a different district during the school year, please contact Lesley Baehman at 920-982-2011 to enroll and receive a family access account.
- Many classes will fill up quickly; late registration may not be accepted. Final course offerings will be determined based on student enrollment and availability of staff. Parents and students will be notified if a course is canceled.
- Parents will be notified of the courses their child is enrolled in before the Summer School start date.
- Students are encouraged to attend all sessions they enroll in, however attendance in courses that are not recovery in nature can be flexible; please contact the coordinator with specific questions.

# Elementary School - July

Sample Course Options by Grade Level

Monday through Thursday from 8:30 a.m. - 12:00 p.m.  
July 10 - July 27 at Lincoln Elementary School

Elementary Summer School Coordinator:

**Danielle Kamba**

920-982-8420 ext. 1123

[dkamba@newlondon.k12.wi.us](mailto:dkamba@newlondon.k12.wi.us)

Smart Start Course: 7:30 a.m. - 8:15 a.m. (Please enroll for this early start option)

Breakfast & Morning Recess: 7:45 a.m. - 8:30 a.m. (optional)

## Getting Ready Course Options

### Entering Grades 4K-2

These courses are a block format; students will experience reading, math, and extension activities from 8:30 a.m. to 11:30 a.m.

	Entering Grades
Kick-Off To 4K	4K
Getting Ready for Kindergarten	Kindergarten
Getting Ready for First Grade	First
Getting Ready for Second Grade	Second

## Elective Course Options: Entering Grades 2-5

Elective courses running from 8:30 a.m. to 11:30 a.m. with 3 one hour courses

Backyard Games		Ooey Goey Science
Be a Math-Magician		Passport to Adventure
Board No More! (Board Games)		Puzzles Plus
Card Sharks		Read All About It!
Crafty Kids		Sports of All Sorts
The Great Escape		Ticket to Write!
The Mindful Child		Ninja Sports Games

Lunch 11:30 a.m. - 12:00 p.m.

**ALL ENROLLED IN LINCOLN ELEMENTARY SUMMER SCHOOL  
WILL BE EXPECTED TO STAY FOR LUNCH**

Dismissal will not begin until noon for any students

[Registration Directions](#)

## **Smart Start: Entering Grades 4K- 5 from 7:30 a.m. - 8:15 a.m.**

**Registration Code: SMART1**

**Smart Start ensures your child starts the day ready to learn! In addition to free breakfast, course content will include a daily check in, as well as routines to ensure overall student success. Please enroll your child in this course if you plan on dropping your child off before 8:00 a.m.**

**[Registration Directions](#)**

### **Getting Ready Course Options**

These classes provide a structure similar to a traditional classroom with cross-curricular activities, projects and learning. Routines, social skills and application of reading and math are at the heart of these classes, but fun outreach projects will also take place in the block. All students will automatically be included to receive the free lunch program as part of their Summer School day.

#### **Kick-Off to 4K: (Entering 4K):**

**Registration Code: 4KPREP**

Students will explore the start of their school experience by learning the ins and outs of 4K. Arts and crafts, lining up, social skills, purposeful play, as well as letter or number recognition are just some of the activities to be explored in this course. Students selecting this course will not be able to choose from elective course options below, but will have enrichment activities built within this class. Students must be enrolled in 4-year-old Kindergarten for the 2023-2024 school year and toilet trained.

#### **Getting Ready for Kindergarten (Entering Kindergarten):**

**Registration Code: KINDPR**

Students will be exploring and reviewing all of the “muscles” they need for Kindergarten! From fine motor skills, to social skills, to academic skills – we are sure to prepare our bodies and brains for all that Kindergarten will bring! Students selecting this course will not be able to choose from elective course options below, but will have enrichment activities built within this class. Students must be enrolled in 5-year-old Kindergarten for the 2023-2024 school year.

#### **Getting Ready for First Grade (Entering First Grade):**

**Registration Code: GR1PRE**

Students will practice skills that will allow them to hit the ground running in first grade this fall. Students selecting this course will not be able to choose from elective course options below, but will have enrichment activities built within this class. Students must be enrolled in First Grade for the 2023-2024 school year.

#### **Getting Ready for Second Grade (Entering Second Grade):**

**Registration Code: GR2PRE**

Students entering second grade will practice reading and math skills to prepare them for the upcoming second grade year. Activities will include practicing reading and math strategies to boost them into second grade. Students selecting this course will not be able to choose from elective course options below, but will have enrichment activities built within this class. Students must be enrolled in Second Grade for the 2023-2024 school year.

## **Elective Course Options**

These classes are in an elective format. Students will choose 3 courses and one alternate to be added to their schedules and will rotate during their day. **All students will have the free lunch program scheduled as part of their Summer School day.**

### **Backyard Games:**

**Students entering grades 2-5**

**Registration Code: BACKGA**

Batter up! Join us while we learn and explore some of our favorite backyard games! This class will practice good sportsmanship, teamwork, and social skills through games like four-square, kickball, capture the flag, kick the can, and more.

### **Be a Math-Magician:**

**Students entering grades 2-5**

**Registration Code: MATMAG**

Do you want to learn the magic of math? Maybe you want to be the next whiz kid in your math class next year? Maybe you just want some extra math practice over the summer? If this sounds interesting to you, this is your class! From topics ranging from addition and subtraction, multiplication and division to geometry, algebra, and fractions. This class will surely help improve your math skills!

### **Board No More!**

**Students entering grades 2-5**

**Registration Code: GAMEGA**

Let the games begin! Students will practice social and communication skills while playing various board games. These games will help students to acquire logic and reasoning while boosting their critical thinking skills.

### **Card Sharks:**

**Students entering grades 2-5**

**Registration Code: CARDSH**

Put away the electronic devices or video games and put some real cards in your hand. In this class you will learn multiple card games you can play by yourself or with a group of people. Perhaps you might even learn a card trick to wow your friends!

### **Crafty Kids:**

**Students entering grades 2-5**

**Registration Code: CRAFTY**

Are you the next Van Gogh? Maybe a Picasso? Art is its own language that speaks to everyone around the world. Come relax, create, and learn to speak a new language while releasing your inner artist.

### **The Great Escape:**

**Students entering grades 2-5**

**Registration Code: GREESC**

Escape rooms are currently all the rage. With puzzles, riddles, and a little bit of excitement, people have found joy in the thrill of these timed adventures. Students will have the opportunity to explore the basic idea of an escape room. They will solve puzzles, play Breakout EDU games, and visit online escape rooms. Students will even create their own escape room for their classmates to attempt! If you enjoy brainteasers, logic puzzles, and a little bit of mystery, then you might have what it takes to succeed at The Great Escape!

**The Mindful Child:**

**Students entering grades 2-5**

**Registration Code: ARTMIN**

A course for growth mindset, creative art, mindful movement, and healthy living. Enjoy your new “Zen” life!

**Ninja Sports Games**

**Students entering grades 2-5**

**Registration Code: NINJA**

Want to be a ninja of games and fitness? This class will teach fun, athletic games that you can play with your friends while keeping you active throughout the summer.

**Ooey Goey Science:**

**Students entering grades 2-5**

**Registration Code: OOEYSC**

Enjoy creating sticky, goey substances and learning important concepts of science at the same time. You’ll be amazed at what you create!

**Passport to Adventure:**

**Students entering grades 2-5**

**Registration Code: PASADV**

Come travel along to experience cultures outside of our own! Throughout this session we will fill out our passports, increasing our cultural wellness, while exploring art, food, traditions, and more!

**Puzzles Plus:**

**Students entering grades 2-5**

**Registration Code: PUZZLE**

Get ready for puzzles, puzzles, and more puzzles! Students will have the opportunity to complete word puzzles, math puzzles, jigsaw puzzles, and more. There are bound to be a few more “puzzling” surprises along the way!

**Read All About It!**

**Students entering grades 2-5**

**Registration Code: READAL**

Do you get excited when you get new books? Can you not put a book down? Then this class is for you! You will learn how to apply and practice several different reading strategies and develop skills that will help you become a better reader. Let’s have some fun and discover the wonderful journey of reading.

**Sports of All Sorts**

**Students entering grades 2-5**

**Registration Code: SPORT**

Looking to stay active in the summer months? Students in this class will participate in many different team and individual sports. Some of these activities may include disc golf, kick ball, and other phy-ed activities. Come join in the fun of all sorts of sports!

**Ticket to Write:**

**Students entering grades 2-5**

**Registration Code: TICKET**

Enjoy writing as a pastime? Explore writing poetry, creative stories, and journaling while letting your imagination run wild.

**Elementary Unique Course Offerings**

For unique course offerings in the area of sport skills camps, please refer to the 3-8 Skills Course Options found on pages 14-15.

# Elective Course Options

## **Basic Baking:**

**Time:** Monday - Thursday 8:30 a.m. - 10:00 a.m.

**Students entering grades 6-8**

**Registration Code: BAKING**

This course is an introduction to basic baking.

## **Basic Cooking:**

**Time:** Monday - Thursday 10:00 a.m. - 11:30 a.m.

**Students entering grades 6-8**

**Registration Code: COOKIN**

This course is an introduction to cooking. Students will learn essential cooking skills.

## **Book Talk T-Shirt Design Project**

**Time:** Monday - Thursday 10:00 a.m. - 11:30 a.m.

**Students entering grades 6-8**

**Registration Code: BOOKT**

Students will select a book to read and design a t-shirt showcasing the story elements for that title. Students will wear their design during their book talk. For examples click [here](#).

## **Game On:**

**Time:** Monday - Thursday 10:00 a.m. - 11:30 a.m.

**Students entering grades 6-8**

**Registration Code: GAMEON**

Develop a sense of communication, respect, teamwork and listening skills through games. Learn and play different types of games from card games, board, games, group games and more.

## **Makerspace:**

**Time:** Monday - Thursday 8:30 a.m. - 10:00 a.m.

**Students entering grades 6-8**

**Registration Code: MAKER**

Makerspace provides hands-on, creative ways to encourage students to design, experiment, build and invent as they deeply engage in science, engineering and tinkering. Some examples include; LEGOs, Circuits, Dot and Dash robots, puzzles and Virtual Reality goggles.

## **Random Acts of Kindness:**

**Time:** Monday - Thursday 8:30 a.m. - 10:00 a.m.

**Students entering grades 6-8**

**Registration Code: ACTKIN**

We never know what is going on in others lives, a nice deed could be the highlight of their day. It is amazing how helping others can make you feel inside and encourages you to want to help more. This class will brainstorm, create and complete Random Acts of Kindness through our schools and communities,

## **[Registration Directions](#)**

## **Grades 3-8 Skills Courses**

Unique programs, please be cautious of dates, times and locations. These are NOT 3 week programs.

For further information please contact:

**Josh Murnane**

920-982-8532 ext. 2206

[jmurnane@newlondon.k12.wi.us](mailto:jmurnane@newlondon.k12.wi.us)

### **Basketball Skills and Drills:**

**Dates: July 24-27**

**Location: Intermediate Middle School Gymnasium**

This basketball class will be focused on providing each student with instruction in fundamentals and strategies. For fun and enjoyment, the students will compete in contests, challenges, and games. The class is designed to be both educational and fun for all students involved.

- **Students entering grades 3-5**
  - **Time: 12:30 p.m. - 1:30 p.m.**
  - **Registration Code: BBAL35**
- **Students entering grades 6-7**
  - **Time: 1:30 p.m. - 2:30 p.m.**
  - **Registration Code: BBAL67**
- **Students entering grades 8-9**
  - **Time: 2:30 p.m. - 3:30 p.m.**
  - **Registration Code: BBAL89**

### **Football Skills and Drills:**

**Dates: July 10-13**

**Location: Intermediate Middle School Practice Field**

Athletes will learn and practice the basics of the game of football. We will work on proper technique, footwork, and position specific drills. Athletes will have the opportunity to learn and practice every position in order to learn all aspects of the sport. We will also discuss football rules and basic strategy. This is the ideal learning spot for anyone who is just beginning to learn the game of football to experienced players.

- **Students entering grades 4-5**
  - **Time: 12:30 p.m. - 2:00 p.m.**
  - **Registration Code: FB45**
- **Students entering grades 6-8**
  - **Time: 2:00 p.m. - 3:30 p.m.**
  - **Registration Code: FB68**

### **Tennis Skills and Drills:**

**Dates: June 26-28**

**Location: Hatten Park Tennis Courts**

This skills course is geared towards girls and boys entering grades 5-8 who have played little or no tennis. Students will be introduced to the basic strokes and rules and etiquette of tennis. Each day will include a fun warm-up activity, stretching, and instruction and/or review of different tennis strokes. Drills and small and large group games will allow students to learn and practice their new skills in a fun and challenging way.

- **Students entering grades 5-8**
  - **Time: 9:30 a.m. - 12:00 p.m.**
  - **Registration Code: TENN58**

### **Volleyball Skills and Drills:**

**Dates: July 10-13**

**Location: Intermediate Middle School Gymnasium**

This volleyball class will focus on improving each student's skills and strategies for the game of volleyball. The students will partake in friendly competition and various obstacles to grow their skills in the game. This skills class is for all students who are interested in improving volleyball skills, as well as having fun with their peers.

- **Students entering grades 3-6**

**Time:** 4:00 p.m. - 8:00 p.m.

**Students entering grades 9-12 ~ All Band Students will be enrolled**

All 9-12 grade band students will be enrolled in the summer marching skills session. Students will learn parade marching techniques, prepare music, and drill for the homecoming halftime show, as well as, learn pep band music. Class will be a mix of inside and outside so please dress for the weather and wear athletic clothing and shoes.

### Summer Show Choir:

**Advisor:** Kevin Spindler, [kspindler@newlondon.k12.wi.us](mailto:kspindler@newlondon.k12.wi.us)

**Dates:** July 19 - July 22, 2023 (these dates are tentative)

**Times will be communicated to students signed up for Early Bird Show Choir.**

**Students entering grades 9-12**

Summer 'Vision' Show Choir is for students who plan to take the show choir class in high school during the 2023-2024 school year. This summer class is designed to bring in a nationally recognized choreographer and learn the dance for the entire show. Leadership skills, along with bonding games will also be part of the breakout sessions. The class will teach you the necessary focus for professional training in the performance field. This summer 'Vision' show choir class will create a new sense of belonging and professional development of performance.

## Additional Opportunities at New London High School:

### DECA:

**Advisor:** Melissa Porath, [mporath@newlondon.k12.wi.us](mailto:mporath@newlondon.k12.wi.us)

**Students entering grades 10-12**

DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe. The DECA Officer Team will be meeting for a day long training and planning meeting over the summer.

### FFA:

**Advisor:** Crystal Retzlaff, [cretzlaf@newlondon.k12.wi.us](mailto:cretzlaf@newlondon.k12.wi.us)

**Students entering grades 7-12**

The FFA is a National Organization for all students interested in becoming a better leader and supporting agriculture. Students compete in public speaking, career development events, supervised agricultural experiences, talent, band, choir, art and more at the district, sectional, state and national levels. Students will be participating in activities throughout the summer.

### HOSA:

**Advisor:** Jennifer Doran, [jdoran@newlondon.k12.wi.us](mailto:jdoran@newlondon.k12.wi.us)

**Students entering grades 10-12**

This club addresses health related topics and students compete at regional, state, and national competitions. HOSA will be holding officer meetings to focus on leadership skills during the summer.

**National Honor Society:**

**Advisor:** Heather Kamba, [hkamba@newlondon.k12.wi.us](mailto:hkamba@newlondon.k12.wi.us)

**Students entering grades 10-12**

The four pillars of the National Honor Society (NHS) are scholarship, service, leadership, and character. Students must be either a junior or senior to be considered for the NHS. Once selected for membership, students are required to continue to demonstrate these traits, including ongoing service to community and school while maintaining a cumulative G.P.A. of 3.5. Student leadership opportunities may take place over the summer.

**Robotics:**

**Advisor:** Kyle Lubinski, [klubinsk@newlondon.k12.wi.us](mailto:klubinsk@newlondon.k12.wi.us)

**Students entering grades 10-12**

Robotics Club is a team-oriented competitive club in which students work together to build robots and program them using VEX robotics pieces and RobotC programming software. Teams of students compete against each other using only VEX robotics parts to complete various tasks in a given amount of time. Students will be meeting Wednesdays from 10:00-12:00.

**Sources of Strength:**

**Advisors:** Jennifer Bruce & Megan Fielding, [jbruce@newlondon.k12.wi.us](mailto:jbruce@newlondon.k12.wi.us), [mfielding@newlondon.k12.wi.us](mailto:mfielding@newlondon.k12.wi.us)

**Students entering grades 10-12**

Sources of Strength is a group of diverse students and adults from many different cultures within our larger school and community. Our mission is to spread hope, help, and strength to every corner of our community. We aim to help students and staff turn to their strengths and their support that are all around. We are connectors to help and strengthen. We recognize that our voice has great power and we use it to break the silence when someone is struggling, and to connect them to the help they need and deserve. We will be hosting a meeting in August for all current members to start planning for the year.

**Student Council:**

**Advisor:** Lindsey Uvaas, [luvaas@newlondon.k12.wi.us](mailto:luvaas@newlondon.k12.wi.us)

**Students entering grades 10-12**

Student Council is a group of motivated and dynamic young adults who work hard each year on several projects for our school and community. Student Council members will be holding a Homecoming planning meeting in August.
