Dear Parents/Guardians

It's hard to believe, but we have reached the final quarter of the school year! All grades are updated and available to view in Skyward. Teachers will be reaching out to parents if their child has one or more failing grades. We encourage all parents to review grades and communicate with school staff about any questions or concerns you may have.

April and May will be busy with assessments, fine arts performances, Spring athletic events, and award ceremonies. The season will culminate with graduation for the class of 2022. We have and will continue to work hard to ensure students have every opportunity to be successful, are on track for graduation, and are going to be college and career-ready. We need your continued support by being actively involved in both their academic progress and character development.

Below are a few important updates and some upcoming event dates to mark on your calendar. Event details will be shared closer to the event date.
