Dear Future Freshmen and Families:

New London High School would like to invite you to Future Freshmen Night on Monday, January 10th from 5:00-7:00 pm. This event will set the stage for your child's transition to high school. It will also kick off the scheduling process for incoming freshmen. The move from middle school to high school is an important step in the educational journey. We are dedicated to making the transition as seamless as possible for students and families.

Our goal for the evening is to make sure all students and families are well-informed consumers of the educational options New London High School has to offer. We believe this knowledge will allow our students to maximize their educational experience. Students and families will be able to tour the building, visit with staff, explore all the clubs and activities NLHS has to offer, and learn about the upcoming scheduling process.

During the event students and families will have the opportunity to learn about:

- NLHS Mission, Vision, and Expectations
- Skills needed for success in college and careers
- Course Offerings (All NLHS staff will be available to answer questions and provide support)
- Course Pathways
- Scheduling
 - How to assist your son/daughter
 - How to plan course sequencing
 - How to schedule through Skyward
- Dual Credit Courses
