Welcome back! It was great to see everyone return with smiles and many new hair-cuts!

Our district online assessment, iReady, testing window begins January 8th. Your learners will be working hard during the next couple of weeks to show all the progress they have made since last administered in September. Look for these results along with the report card on January 25th. We are proud of all everyone has accomplished!

Our second annual PTO Skate Night is right around the corner and is on Tuesday, January 16th. No need to R.S.V.P. just join our PTO at The Plaza in Neenah! Please refer to an email that was sent last week from Mrs. Blank which includes the waiver. Also, make sure you tell them you are with the Readfield Elementary group. It is a

beautiful facility with coffee and a café...who doesn't love a s'more over an open fire! Check out their site here at <https://theplazaneenah.com/>

January 18th marks the last day of the semester. It is hard to believe that we are half way through! It could be that January just does not feel like January!

Thanks to all that are making sure students are coming with the proper winter gear, although we don't have the snow, we do have cool temps especially in the morning! Students are expected to have all gear when it is 40 degrees or below.

I hope you are able to join our many fun events that are planned. Hopefully it will help with cabin fever that may be soon upon us!

Happy 2024 to all!

~Kristin Grable

Congratulations Readfield Spellers!

On Thursday, January 5th, third and fourth grade students who qualified for the school bee competed in a traditional spelling bee to determine six competitors and one alternate.

These students move on to the District Spelling Bee at New London High School on January 11th at 5:30pm. Picture of these outstanding spellers will appear in our February Readfield Reminder!
