Newsletter of Readfield Elementary School
November 2023

From Mrs. Grable's Desk

Mrs. Kristin Grable, Readfield Elementary Principal

Friday marked the end of first quarter! The time has flown and with a busy calendar for November and December, winter break will be here before we know it!

The morning temperatures have been dipping into the 20s with afternoon not being much warmer. This means our thermometer visual has indicated that all students should have winter gear including hats, gloves/mittens, boots, snow pants and winter coats. Boots and snow pants also keep students warm! I have included winter dress expectations on page 2. Please help us to keep everyone safe and comfortable by checking each morning to assure your child(ren) have what they need.

Thanks to all who were able to participate in parent/teacher conferences. Whether you attended in person or virtually, we hope you learned a lot about your child as a learner. Although conferences are in the books, don't ever hesitate to reach out to us, we are here to help! Report cards will be in the November 9th Thursday Folder.

We had spooky weather for our Trunk or Treat and that did not stop our families who participated to bring on the competition; page 4 highlights some of the fun. Congratulations Caroline Fuss' Family who was Best in Trunk! They had an amazing Willy Wonka exhibit that all enjoyed! Among the other trunks were Readfieldopoly, Harry Potter and the Rapps, Mrs. Kully and her dino car, an Oehlke Candy Truck/Side by Side, Belle and her library, Cookie Monster and so many more!

We are looking forward to our first annual Turkey Trot on Tuesday, November 21st. We are sure thankful for our Caledonia Trail! More details and an R.S.V.P will come in future Thursday Electronic News!

As we transition from Halloween to the Holiday Season, I wanted to share how thankful we are to have all of you as part of our Readfield School! It sure is a great place to learn and grow!

MEET THE FLEET

This past October we celebrated Fire Prevention Month and our amazing PTO expanded the visit to a Meet the Fleet experience! Members of Dale Fire Department, Gold Cross Ambulance, City of New London Public Works and the New London Police Department gave students the opportunity to explore emergency vehicles in a fun, positive and informative way with the hope that if there was an emergency, students will be prepared and remember the experience! Theda Star, unfortunately, had to cancel due to weather.
