

**The Amazing Challenge Race is a 3 to 4 mile run/walk race that includes 10 challenges. The challenges are completed throughout the 3 to 4 mile run/walk. Each team will start the race receiving a clue to locate their first challenge site. They then proceed to that challenge and must complete it to the judge's satisfaction to receive the next clue for each challenge. The course is set up in a 2 mile radius of the New London Middle School. Each team must return to the finish line by 1:00 p.m. or earlier. Prizes will be awarded to the top finishing teams with the fastest time and 10 successfully completed challenge tickets. The team consists of 2 people that are 10 years of age or older. This is a fabulous fun challenge for family and friends, whether you are the serious runner or just want to enjoy some exercise with a twist. Try out a new race.**
