

MOTORIZED VEHICLE/BICYCLE USE BY STUDENTS

POLICY STATEMENT

- A. Students driving motorized vehicles to school who park on school property will be subject to such rules and regulations as the building principal deems necessary for the safety and welfare of students under his/her control.
- B. No snowmobiles, ATVs, or other motorized recreational vehicles are allowed on any school properties unless it is on a marked trail where permission has been granted.
- C. Students riding bicycles to school will be subject to rules and regulations believed necessary by the building principal for the safety and welfare of the student rider and other students.

PROCEDURE

- A. The following bicycle use rules must be observed by all students:
 - 1. Students bring bicycles to school at their own risk.
 - 2. Students must park their bicycles within the area designated by the building principal.
 - 3. Loitering in the area bicycles are parked or tampering with bicycles is prohibited.
 - 4. Bicycle safety and security regulations established by the school must be honored.
 - 5. Bicycles are not to be ridden during the school day on school grounds.
- B. The following rules apply to all high school students driving motor vehicles (automobiles, trucks, motorcycles, snowmobiles, mopeds, etc.) who park on school property:
 - 1. Vehicles must be parked in the authorized parking lot, and they must be locked.
 - 2. The administration may request vehicles to be ticketed by the Police Department if vehicles are in restricted areas.
 - 3. Students who park vehicles in restricted areas or drive in restricted areas may have parking privileges suspended in accordance with established procedures.
 - 4. No vehicle will be used during the school day unless permission has been granted by the building principal or his/her designee.
 - 5. Students will not loiter in or around parked vehicles during the course of the day.
