

**EMPLOYEE DISCIPLINE**

**POLICY STATEMENT**

- A. The Board has the expectation that employees will follow Board policies and various rules and regulations that have been promulgated by State government or developed in individual buildings and departments within our school district. The administration is responsible for insuring that Board policies and other state or local rules are followed. When policies or rules are not followed, the administration will investigate and if necessary, take action in accordance to the Master Agreement and state law.
