New London School Community,

On Wednesday, the Wisconsin Supreme Court struck down Governor Tony Evers' stay-at-home order. While restrictions on businesses and gatherings have been lifted for the time being, the ruling does not affect current school closures in the state.

To that end, all buildings in the New London School District will remain closed for the remainder of the school year. We are consulting with Waupaca, Outagamie and Winnebago county Department of Health services regarding how the ruling may affect other district programming and events in the future.

We encourage our students and families to continue practicing social distancing and adhere to the guidelines provided by the CDC and other entities. It is expected that the governor and legislature will release a new plan for businesses and gatherings soon.

Thank you for your attention to this communication.

Scott Bleck

District Administrator
