PTO Kwik Trip Gift Card Fundraiser

Support our school with your everyday purchases! The Lincoln Elementary PTO will be selling Kwik Trip gift cards and Kwik Trip car wash cards from September 22nd-October 6th. A convenient way to fuel up while helping fund our school programs, events, and our new playground. On September 22nd, your child will bring home order forms for car wash cards and gift cards. We encourage students to begin selling right away, collecting both orders and payments. Cards will be distributed after all orders have been submitted and processed. Fill your tank, make your car shine, and fuel our students' success!

Apple Crunch/Applesauce Making

On October 8th in the afternoon, we will be hosting special guests from Apple Blossom Orchard in Black Creek who will be assisting us in learning about Apples. We will learn

about apples and how they are produced, learn how to make applesauce and each of our students will get to crunch a ripe, juicy apple! We are very much looking forward to this opportunity to learn about one of our favorite fruits and would like to thank Apple Blossom Orchard for their willingness to share with us! Thank you!

Kindergarten Diagnostics

Now that we have six weeks of school under our belts, it's time to learn more about our kindergarten friends through academic diagnostics this coming week. Kindergarteners will take the i-Ready Diagnostics in Reading and Math along with some Aimsweb screenings and testing in the area of reading. Kindergarteners will also be assessed through our district's reading program with an assessment called the IRLA. From this assessment, we will determine each students' reading level and where to focus to help each learn to read as quickly and efficiently as possible. If you have questions about any of this testing, please feel free to reach out to your child's teacher or Mr. Delwiche.

Popcorn Friday!

Tomorrow is our first Popcorn Friday of the school year! If you are not familiar, students can receive a bag of popcorn in the afternoon for 50 cents. Simply send 50 cents with your child tomorrow and each first Friday of the month for your child to receive the popcorn. Or, you can prepay for the school year for \$4.00.

Red Ribbon Spirit Week

Our annual Red Ribbon Spirit Week will take place October 13-17 with the following dress up days:

Monday, October 13: Get Up and Move!
(Students wear exercise clothes to school)

Tuesday, October 14: Hydrate! Drink Water!
(Students wear blue to focus on getting lots of water to be healthy)

Wednesday, October 15: Get plenty of sleep!
(Students wear Pajamas to school)

Thursday, October 16: Team up for Good Health! (Students wear your favorite team apparel)

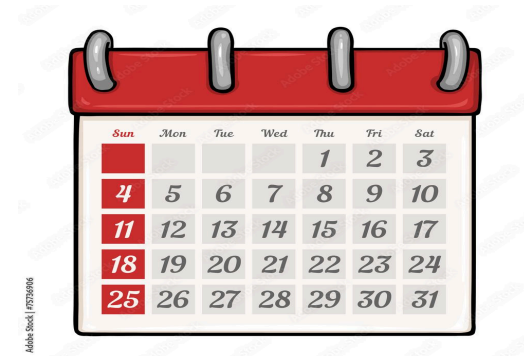

Friday, October 17: Healthy Heart and Mind!
(Students wear Bulldog colors/clothing to school)

Bulldog Way Positive Behavior Incentive

Our next Bulldog Positive Behavior Incentive is Wednesday, October 29th. Students with no office referrals for behavior issues during the month of October have the opportunity to decorate mini pumpkins for Halloween. Continue to remind your child to follow the Bulldog Way by being Respectful, Responsible and Wise! Then on October 31st, our All School Positive Behavior incentive for the end of 1st quarter will be our annual Costume Parade for all students, however, we are shaking things up a bit this year for this annual event. Students will parade down Washington street from Pearl street to just before Division street. Parents are encouraged to line the street on both sides of

the road to cheer on the students as they parade. As a note, please do not park on Washington street between Pearl and Division so all can enjoy the parade without obstruction from vehicles.

Calendar

Lincoln Calendar of Events:

October 7

-1st grade Field Trip to Hofackers Orchard in the afternoon

October 8

-Apple Crunch and Applesauce Making in the afternoon
-School Board Meeting, 6:00 p.m. at the District Office

October 9

-Lief Erikson Day-Wisconsin public school observance day required by statute. Lief Erikson was born in Iceland and raised in Greenland. Norse sagas written 300 years after his death describe his explorations, around 1000 CE, of a land he called "Vinland." The location of Vinland remains uncertain, but it is widely believed to be on the North American continent.

October 10

-Little Bulldogs Community Connections, 9:00 a.m. at the New London Library

October 13-17

-i-Ready Testing for Grade K (days/times vary by classroom)
-Red Ribbon Week, October 13-17

October 13

-Christopher Columbus Day-Wisconsin public school observance day required by statute. The first expedition led by Christopher Columbus sighted land somewhere in the Bahamas on October 12, 1492. Columbus' voyages are recognized as the start of sustained contact between peoples in the eastern and western hemispheres. The process of colonization that he began brought new forms of wealth to Europe, expanded the market for African slaves, and led to loss of land and lifeways for the indigenous peoples of the Americas. The federal holiday, Discoverers' Day, is celebrated the second Monday in October.

-Red Ribbon Week: Get Up and Move! (Students wear exercise clothes to school)

October 14

-4th Grade Field Trip to Heritage Hill-All day

From Our Specialists

Art:

This month, students will be exploring the artistic concepts of color and texture through hands-on projects. Grades K–4 will each design and create their own unique fall leaf, with each grade level experimenting in different artistic media. Throughout this unit, we will connect our work to the Autumn season, using nature’s changes as inspiration to study warm and cool color families. Students will also practice techniques for building layered textures, helping them see how artists can create depth and visual interest in their work.

Guidance:

Students will be learning about social skills; how to get along with others, solve problems and speak up for themselves. The week of October 13-17 we will celebrate Red Ribbon Week with dress up days and lessons promoting healthy living such as sleep, healthy foods, and hygiene. More information will be sent home regarding dress up days on October 9th.

Physical Education

Greetings! With September winding down quickly, the students have been working hard and finishing up their first unit. They will be moving on to their next skills. Third and fourth grade classes will be

participating in floor hockey. While kindergarten, first grade and second grade will begin to work on their throwing skills! The weather has helped us get outside as well, but we are hoping for true fall temperatures soon!

Library

Ready, Set, Read!

Students have the chance to engage in the Read and Roll reading challenge, which will continue until October 31st .After reading five books, please fill out the reading log and turn it in to our school library to receive a ticket for Skaters Edge Roller Rink! If you are in need of a reading log, please have your child see Ms. Herzfeldt.

Happy Reading!

Tech Time

In Techttime, we’re helping students learn what it means to be good digital citizens. Our focus right now is on using technology safely, responsibly, and respectfully. Students are discovering how to protect their personal information, treat others with kindness online, and make smart choices while exploring the digital world. These lessons not only support safe technology use at school but also build healthy habits they can carry with them at home.

Music

Hello Everyone and Welcome Back to Music Class

All of the grade levels will be spending most of October with Boomwhackers in their hands. Kinder and First grade will be using the boomwhackers to show steady beat and play in progression. Second grade will be playing

through some slowed down songs and dabbling in a few chords. Third and Fourth grade will be playing through a lot of songs using accidentals like sharps and flats. They will be using this unit to learn more about Melody and Harmony. Towards the end of October, right before conferences, all of the students will start working on their concert music. Winter Concert will be held December 12, at 1:30.
