Dear Parents/Guardians

Parent Teacher Conferences will be held on October 26th from 11:00 am - 7:00 pm. Parents will have the option to attend in person or by phone conference. We will use Skyward scheduling. We hope this scheduling process allows you to see or speak with the needed teachers while maximizing your time and efforts. Parents who do not have scheduled appointments with teachers are still welcome to attend but are not guaranteed teacher availability.

- If you would like to schedule your parent-teacher conferences please watch the embedded 60-second how-to video. [Conference Scheduling](#)
- Teachers will call parents if/when they do not show up in person at the registered start time.
- Staff will use the primary phone number listed in skyward family access under family 1. If you would like a different number used please update your profile in Skyward Family Access.
- All conferences will be limited to 8 minutes with a four-minute passing time. If you run out of time, please schedule a future meeting with your child's teacher.
- Use the attached map and teacher location listing to efficiently plan your conferences.
- Parents who do not have a scheduled appointment are still welcome to attend but are not guaranteed to see a teacher during the designated conference time. If you do not have the opportunity to meet with a specific teacher please add your information to the sign-up sheet outside the teacher's door and they will contact you.
- Parents are encouraged to contact teachers, counselors, and administrators whenever the need arises. E-mail is often the most efficient means of communication. Staff emails can be found on the district web page <https://www.newlondon.k12.wi.us/highschool/classstaff.cfm>
- Use Skyward Family Access to check your child's attendance, grades or schedule.
