Spring has sprung, at least on the calendar it has, and so has fourth quarter! While we work through this weather, please continue to send winter gear. Staying dry has been a challenge!

The Timber Rattler reading program wraps up on April 26th. If your child completes the program, a voucher for Timber Rattler Family Reading Night will be coming home in an upcoming Thursday Folder along with a form to purchase additional tickets. The Timber Rattler Family Night is scheduled for Friday, May 31st!

Students in 3rd and 4th grade are over half way through the WI Forward Exam. Fourth grade began with science and social studies (4th grade only) and third grade joined the next week taking English Language Arts. Students were excited to begin thanks to lots of prepping, gum

and snacks!

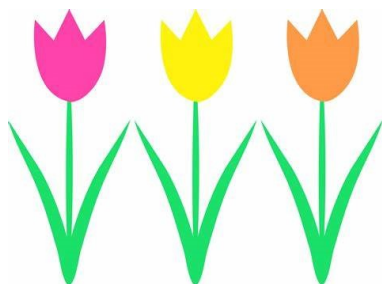

Our Learning Showcase was a huge success. If you joined us, we hope your seeds have sprouted!

4K/5K Visitation Day is scheduled for Friday, May 3rd. Lesley Baehman, our district registrar, will be in contact with these families. Students new to school will receive their first New London Bulldog t-shirt!

Our PTO will be meeting this Tuesday, April 9, at 6:00pm right at school. We would love to have a crowd, so please consider joining us as the PTO provides many additional opportunities for our learners!

It is hard to believe, but our end of year festivities planning has begun! Our last day of school is Wednesday, June 5. There will be many ways to celebrate our school year! Think SPRING!

Spring/Summer Handbook Guidelines

As we get warmer weather, please refer to the Parent/Student Handbook. Specifically in regards to flip flops please read below:

Flip flops are discouraged for elementary students for outdoor play. Students wearing flip flops may be asked to change into physical education shoes for recess.

Although the handbook is not specific, tank tops with spaghetti straps can sometimes be tricky in keeping straps up. Thanks for your cooperation with this!
