Feb. 29—Learning Showcase, 4-6pm

March 4 thru 8th—SPRING BREAK!

From Mrs. Grable's Desk, Sugar Bush Elementary Principal, kgrable@newlondon.k12.wi.us

Welcome back! It was great to see everyone return with smiles and many new haircuts!

Our district online assessment, iReady, testing window begins January 8th. Your learners will be working hard during the next couple of weeks to show all the progress they have made since last administered in September. Look for these results along with the report card on January 25th. We are proud of all everyone has accomplished!

January 18th marks the last day of the se-

mester. It is hard to believe that we are half way through! To celebrate our PTO is inviting you to our annual Funset Family Night set for January 18th (no school Friday, January 19) Funset Boulevard in Appleton offers non-profits an opportunity to enjoy the amusement park together at a discounted rate. Discounts on tokens and pizza are also available. A hard copy form to sign up is located in this week's Thursday Folder!

I hope you are able to join our many fun events that are

planned. Hopefully it will help with cabin fever that may be soon upon us!

Although it may look like spring; the temps are settling into winter. Our winter clothing requirements state that when it is less than 40 degrees, students must wear all gear including boots and snow pants. If your family is in need, please let the office know!

Happy 2024 and let it snow, let it snow, let it snow!

~Kristin Grable

It is the policy of the School District of New London that no person may be denied admission to any public school or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational or other program or activity because of the person's sex, color, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

Library News

It's Golden Archer Award time! Students at Sugar Bush have a chance to take part in this statewide program that awards one exemplary picture book this award. The award is specific to Wisconsin and the book that wins is selected by students around the state. We will read the five nominated titles during the coming weeks. Each student will cast a vote for their favorite book and those votes will be sent on to the committee. The Golden Archer Award is sponsored by the Wisconsin Educational Media and Technology Association. The award winner will be announced at the annual WEMTA conference in late March.

Second graders at Sugar Bush "traveled" around the world in December to learn about holiday celebrations in different countries. Students explored world geography, learned about a variety of cultural traditions, and listened to many holiday tales from different countries. Students especially enjoyed learning various holiday words in different languages and sampling traditional holiday foods from around the world!

Hitting the Pinata of Mexico!
