March 17—21st—SPRING BREAK!

From Mrs. Grable's Desk, Sugar Bush Elementary Principal, kgrable@newlondon.k12.wi.us

Welcome back! It was great to see everyone return with smiles and many new hair-cuts!

Our district online assessment, iReady, testing window begins January 6th for students in Kindergarten through fourth grade. Your learners will be working hard during the next couple of weeks to show all the progress they have made since last administered in September. Look for these results along with the report card on January 23rd. In addition to iReady, students in kindergarten through third grade will also participate in the Aims-Web Plus assessment which focuses on pre-

reading and reading skills. Our literacy team will be in contact with families on how your child(ren) performed on this assessment as well.

January 16th marks the last day of the semester. It is hard to believe that we are half way through! To celebrate, our PTO is inviting you to our annual Funset Family Night set for January 16th (no school Friday, January 17). Funset Boulevard in Appleton offers non-profits an opportunity to enjoy the amusement park together at a discounted rate. A hard copy form to sign up is located in this week's Thursday Folder!

Although it may look

like spring, the temperatures feel like winter for sure and will be dipping. Our winter clothing requirements state that when it is less than 35 degrees, students must wear all gear including boots and snow pants. If your family is in need, please let the office know!

I hope you are able to join our many fun events that are planned. Hopefully it will help with cabin fever that may be soon be upon us!

Happy 2025 and let it snow, let it snow, let it snow!

~Kristin Grable

It is the policy of the School District of New London that no person may be denied admission to any public school or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational or other program or activity because of the person's sex, color, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

Library News

It's Golden Archer Award time! Students at Sugar Bush have a chance to take part in this statewide program that awards one exemplary picture book this award. The award is specific to Wisconsin and the book that wins is selected by students around the state. We will read the five nominated titles during the coming weeks. Each student will cast a vote for their favorite book and those votes will be sent on to the committee. The Golden Archer Award is sponsored by the Wisconsin Educational Media and Technology Association. The award winner will be announced at the annual WEMTA conference in late March.
