

The Lincoln Logger

Lincoln School-A Tradition of Excellence Since 1886

May 8, 2025

ARC Reading Practice

To record April at-home reading time, please use the [May At-Home Reading Log](#). The At-Home Reading Logs will be in English on one side with Spanish on the other. Teachers will either staple the calendar in your child's agenda or put it in their take home folder. Simply record your child's reading minutes each day and initial. **Please remember that students are expected to read (or be read to) 2 steps (30 min) each night.**

Currently, 42.2% of our students are on target for At-Home Reading. This was a decrease of 1% over last month! Let's strive to climb above 50% in May! We can do it!

4K in Session on May 9th

There are 4K classes on Friday, May 9th per the 4K calendar shared with everyone at the beginning of the school year. Please be sure to mark your calendars and plan on your 4K student attending school on May 9th.

Attendance is Important!

Keep up the great work in keeping our school attendance levels high!

-Attendance Rate is the rate of attendance for all students over the total number of possible attendance days.

-High Risk Absenteeism is the percentage of students who have been absent 10% or more of possible school days.

	Attendance Rate (We want this number to be as high as possible)	High Risk Absenteeism Rate (We want this number to be as low as possible)
September	95.7%	0.4%
October	95.6%	1.1%
November	95.5%	3.9%
December	95.1%	5.0%
January	93.7%	12.8%
February	94.5%	12.4%
March	94.5%	20.2%
April	94.6%	23.4%

DECLARACION NO DISCRIMINATORIA DE LOS ESTUDIANTES: Es la ley del Distrito Escolar de New London que ninguna persona sea negada admision a culaquier escuela publica o sea negada participacion en, sea negada los beneficios de, o sea discrimainada en contra en actividades curriculares, servicios al estudiante programas de recreacion o cualquier ontro ptograma o actividad debido a la raza de la persona, su sexo, color religion, origen nacional, ascendencia, credo, embarazo, estado de matrimonio o estado patemal, otientacion sexual o incapacidad fisica, mental, emocional o de aprendizaje.

i-Ready Diagnostics

Our end of year i-Ready Diagnostics will take place the week of May 12th-16th for students in grades K-4 for reading and math. Please remind your child to do his/her best on the diagnostics, get a good night's sleep and eat a good breakfast prior to testing. The data from these diagnostics helps us understand the educational progress we've made this school year as well as helps us set learning goals for the next school year. On average the

diagnostic in each subject takes about 45 minutes to complete.

ABC Countdown

This is the ABC countdown that Lincoln Elementary will be doing until the end of the year. Please post this at home so you and your child will be aware of the next day's activity.

Thank you for your help as we have FUN counting down to the end of the year!

5-8 Noah McCormick

5-8 Nolan McCormick

5-9 Violet Kabble

5-11 Aiden Procknow

5-14 Aurora Smoley

5-15 Andrey Penaloza Jimenez

From Our Specialists

Art:

3rd and 4th graders are beginning to paint their Pointillism projects, making sure to use dots to fill in the color. 2nd graders are learning about Georgia O'Keeffe and painting close ups of flowers. 1st graders are creating spring time song birds. Kindergarten is finishing up making a color wheel and will be talking about the Art Element of Value next.

Guidance:

Guidance-in the month of May grades K-4 will explore different careers. Our 4th graders will also focus

on transition to middle school activities such as opening locks (their biggest fear) and meeting with the school counselor from the ISMS to answer any questions 4th graders may have. The classroom teacher is also scheduling a tour of the ISMS so that students will feel comfortable starting in the Fall. Our last lesson will be on summer safety such as bike and water safety.

Physical Education

We have made it to May! The older students (3rd and 4th grade) just finished their spring fitness testing. The overall results were very impressive! Improvement from the majority of students, including impressive improvement with the PACER cardiovascular running test. Several Lincoln students tallied over one hundred laps! It was great to see how pleased some of the students were after seeing their improvements from our testing back in the fall. During the final month of school we are looking to play more team games outside if the weather cooperates. As always, please continue to encourage your child/children to exercise outside of school!

Music

Hello Everyone and Welcome Back to Music Class!!

As the school year comes to an end, we studying the genre of Musicals. Third and Fourth grade will be diving into "The Music Man". They will be answering questions about the turn of the 20th century, as well as rural Iowan life. Second grade will be exploring the musical "The Wind in the Willows" based off of the classic book.

Kindergarten and First grade will be wrapping up their study of Instruments and Families of the Orchestra. They will

hear the different families represented in the Classical suite, "Peter and the Wolf". Finally for the last week of the year, they will be playing Instrument Bingo for treats and prizes.

Tech Time

Throughout the month of May, students will continue to explore programmable robots, create videos to share what they've learned, and expand their understanding of the technology that plays an important role in their daily lives. These hands-on activities help strengthen critical thinking, creativity, and problem-solving skills in fun and meaningful ways.
