SEPTEMBER 2025
FROM MRS. GRABLE'S DESK

Welcome back everyone! It has been an amazing few days with our students back in the halls, in classrooms and on the playground! This place gets lonely in the summer! As always, I wanted to share new staff as well as farewells that took place over the summer.

First off, welcomes! Amanda Maierhafer has joined our staff and is our new special education teacher! Mrs. Maierhafer has come to us from Readfield Elementary, right here in the district. She is excited to take on this new role and has brought her daughter with her! Mrs. Maierhafer has replaced Mr. Evers who took a position in Appleton closer to home. We also welcome a student teacher to 2nd Grade. Miss Kylie Miller has joined Mrs. Hinde this semester. Miss Miller attends the University of Wisconsin Stevens Point.

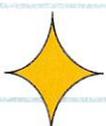

This past week we kicked off the Bulldog Way by grade levels participating in learning the expectations of important areas and times of day at school. On Friday, we all enjoyed our Annual Recess Rodeo which taught playground expectations as well as rules to popular games. At our first Bulldogs of Character Assembly this past Monday we wrapped up teaching The Bulldog Way by emphasizing our three common values: be safe, be respectful and be responsible. Character assemblies take place on the first Monday of the month at 2:40pm. We hope to see you there!

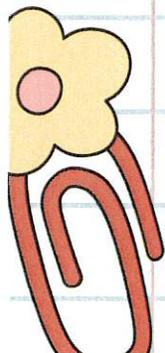

This week I visited each classroom to review and teach with your child's classroom teacher, the expectations and reasons for our safety drills. We will soon be practicing many of our drills together as a school. These drills will happen periodically throughout the school year so that it becomes second nature for staff and students. Along with our drills, we have increased our safety procedures across the district. All guests and staff not assigned to buildings are now required to sign in and out of all buildings. A Chromebook is located in the vestibule to complete this process. We thank you in advance as we ensure all safety measures are achieved!

On behalf of Sugar Bush Elementary, I would like to wish everyone a wonderful school year! With such a great start, I am sure it will be awesome!

Fondly,
~Kristin Grable

Patriot Day!

Patriot Day, observed on September 11th each year, serves as a poignant reminder of the tragic events that occurred on that day in 2001. Many students across the nation commemorate this day by dressing in red, white, and blue—the colors of the American flag—as a symbol of unity and patriotism. This tradition not only honors the memory of those who lost their lives but also serves to instill a sense of national pride and resilience among younger generations. Through activities such as moment of silence, educational programs, and community service, schools aim to foster a deeper understanding of the significance of the day, ensuring that the lessons of courage, compassion, and unity continue to inspire future generations.

By dressing in red, white, and blue, students and staff not only express their patriotism but also participate in a collective act of remembrance and unity. This reminds everyone of the resilience and strength found in coming together as a community. 🇺🇸
