

Equal Educational Opportunities/Nondiscrimination

It is the policy of the School District of New London that no person may be denied admission or employment to any public school in this district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, public service, recreational, or other program or activity because of the person's sex, race, religion, national origin, ancestry, color, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability as required by section 118.13 of the State Statutes. This policy also prohibits discrimination as defined by Title IX of the Education Amendments of 2024 (sex), Title VI of the Civil Rights Act of 1964 (race, color, national origin), Section 504 Rehabilitation Act (handicap), and Americans with Disabilities Act of 1990 (disability).

The district shall provide appropriate educational services or programs for students who have been identified as having a handicap or disability, regardless of the nature or severity of the handicap or disability. The District shall also provide for the reasonable accommodation of a student's sincerely held religious beliefs with regard to examinations and other academic requirements.

The District encourages informal resolution of complaints under this policy. A formal complaint procedure is available, however, to address allegations of policy violations in the district.
