

**Welcome
to
Future Freshmen Night**

January 9th, 2023

Student Service Center Team

Mr. Yerkey	Principal	byerkey@newlondon.k12.wi.us	920-982-8420 (1013)
Mrs. Bruce	Associate Principal	jbruce@newlondon.k12.wi.us	920-982-8420 (1004)
Mr. Sloma	Dean of Students/ Activities Director	psloma@newlondon.k12.wi.us	920-982-8420 (1079)
Mr. Schussler	School Counselor Students M-Z	rschussl@newlondon.k12.wi.us	920-982-8420 (1011)
Mrs. Flanders	School Counselor Students A-L	cflander@newlondon.k12.wi.us	920-982-8420 (1012)

Purpose

1. Learn about NLHS
 - a. Meet and visit with staff
 - b. Tour the facility
 - c. Ask questions
2. Prepare for 9th grade scheduling
3. Explore available clubs and activities
4. Learn about all the opportunities available for college and career readiness
5. Get excited for your transition to high school

Mission

The mission of New London High School is to ensure all students become responsible, contributing citizens who are college and career ready.

Vision

New London High School will

- **Provide a safe and positive environment**
- **Build strong relationships**
- **Set high expectations for students and staff**
- **Provide a guaranteed and viable curriculum**
- **Partner with families and the community to promote learning**
- **Practice effective collaboration at all levels to promote a culture of continuous improvement**

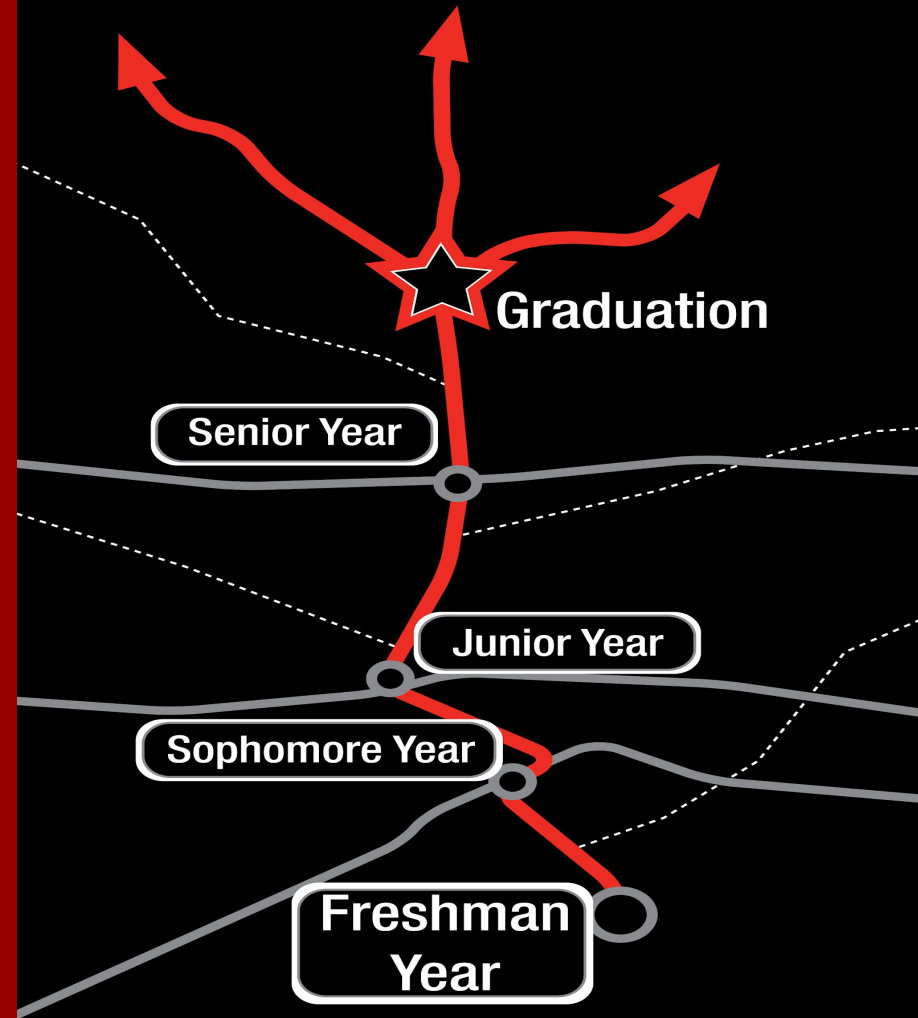

Why NLHS

1. Safe & Positive Environment
2. Expectations & Accountability
 - a. Academics
 - b. Character
3. Opportunities
4. Relationships

Questions To Consider

1. What college/career pathways am I interested in?
2. Where do I need to be academically so I am prepared for college and career?
3. How do I set myself up for future success?

Folder Contents

- Course Description Guide
- 4 Year Planning Document
- FAQ
- Department Course Flow Charts
- Laude Recognition System
Brochure
- Mental Health Resources
Brochure
- Listing of all clubs and activities
- Building Map
- Raffle Tickets

School District of New London

Informational Scheduling Session

The Mission of New London High School is to ensure all students become responsible, contributing citizens who are college and career ready.

High School Graduation Requirements

(24 credits)

- ***4.0 credits of English Language Arts***
- ***3.0 credits of Math (8th grade Algebra does not count towards this)***
- ***3.0 credits of Science***
- ***3.0 credits of Social Science***
- 1.5 credits of Physical Education (over three separate years)
- 0.5 credit of Financial Literacy (Personal Finance, Consumer Math A, IS-Financial Literacy)
- 0.5 credits of Health (done in MS or summer option)
- 8.5 credits of Electives
- Transition Plan

When scheduling, your CORE classes take precedence over your elective classes!

Scheduling for 9th Grade

Classes that are chosen for you...

- Language Arts (1 credit)
 - English 1 or Honors
 - Honors completed through application process
- Mathematics (1 credit)
 - Pre-Algebra or Algebra or Geometry
 - Based on teacher recommendation and academic achievement
- Science (1 credit)
 - Biology
 - Unless the teacher recommends General Science based on academic achievement, students will be placed in Biology
- Social Studies (1 credit)
 - Global Studies

Scheduling for 9th Grade cont...

Classes that you get to choose...

- Physical Education (.5 credit)
 - PE Foundations or Weight Training 1
- Electives (.5 - 1 credit)
 - Band/Choir/Spanish
 - Reference Course Description Guide for other elective options
 - Where do you want to go? How do you get there? Consider future pathways

Important Considerations: Students who earned a C or lower in Spanish 1 during 8th grade should take them again at NLHS. Also, 8th grade Spanish 1 and Algebra do not count as core credits in high school.

Electives 8.5				

Study Hall

- The workload is increased from middle school to high school
- Time for working on projects ahead of time
- If you are in an extracurricular activity, you will have more time to work on homework
- Use it as a time to get organized
- You will have at least 6 classes daily
- Every class will have homework or a quiz/test that you need to study for
- IE is built into our schedule
- When requesting classes, you will need to request Study Hall if you want it in your schedule

4-Year Planning Considerations

- Dual Credit Courses (10th-12th Grade)
- AP Courses (10th-12th Grade)
- Spanish Credits
- Project Lead the Way
- Youth Apprenticeship Program (11th-12th Grade)
- CNA Course (11th-12th Grade)
- Work Release (11th-12th Grade)
- Laude Classes/System

Skyward Scheduling

Student Responsibilities

- Know your Skyward login information
- Review the course description guide
- Know the Skyward scheduling process (pg. 36 of the Course Description Guide)

Parent Responsibilities

- Talk with your child about their future goals
- Know your Skyward login information
- Review your child's course requests in Skyward

Skyward Scheduling

Skyward Scheduling Process:

1. Students must have their Skyward login ID and password (*family login will not work*)
If you need this information, please contact the Student Services Center at your students' school
2. Please access the School District of New London site www.newlondon.k12.wi.us
3. Click on the 'For Students' tab at the top of the page
4. Click on the 'Skyward' link in the drop down box
5. Login to Skyward using the student's Login and Password
6. On the left side of the screen, choose the tab that says 'Schedule'
7. Choose 'View Available Courses for the 2023-2024 school year' at the top of the page
8. On the next screen, please note that you are in the 'request courses' area
9. On the left-hand side, you will see the 'Available Courses for 2023-2024'
10. On the right-hand side, you will see 'Selected Courses'
11. Click to highlight the course you want on the left side, then click the 'add course' tab in the middle of the screen. Courses added will move to the right side under 'selected courses'
12. All students must register for a minimum of 6.0 credits total. As you are selecting courses, the number of credits you are registering for can be found in the upper right-hand side of the screen next to 'total credits'
13. If a course is listed twice, it is a year-long course. Selecting one of the courses will move both over. If a course is listed once, it is a semester only course
14. If you are interested in having a study hall for the full year, register for 6.0 credits total. If you are interested in having a study hall for one semester of the year, register for 6.5 credits total. If you are not interested in a study hall, register for 7.0 credits total. Students can register for a maximum of 8.0 credits; this would include an Early Bird course
15. Once you have scheduled your requested courses (which must be a minimum of 6.0 credits), please select the 'Request Alternates' tab at the top of the screen. Alternate courses are courses that students must select in the event their requested courses are unable to be scheduled for. For example, a course is canceled due to low enrollment
16. A maximum of 6 alternative courses can be selected. All students, however, must register for a minimum of 3 alternative courses. These courses must be 3 different courses.
17. When selecting alternative courses, you will notice that they will be listed above the requested courses and can be recognized by the number assigned to them. Using the arrows denoted, you can change the rank of the alternative courses in order of preference--1 being the highest preference.
18. If you select a course and then decide you no longer want the course, click to highlight the course in the 'selected courses' column and click the 'Remove Course' tab in the middle of the screen.
19. Skyward will automatically save your course requests and alternates. There is no 'submit' button. Closing out the window automatically saves your requests and alternates.

Reminders

- Students need to sign up for a minimum of 6 credits (study hall is not a credit)
- Pick a minimum of 3 alternate courses
 - Elective course are not guaranteed based upon request, so having 'back up' choices is important
- Students should pick classes that
 - Interest them
 - Challenge them
 - Leads to a career pathway or post-secondary goal
 - Meets the prerequisite requirement for future classes they want to take

Freshmen Scheduling Timeline

- Classroom Presentation @ ISMS: January 11th
 - Individual meetings: January 25th
- Classroom Presentation @ Emanuel: January 12th
 - Individual meetings: January 26th
- Skyward closes January 24th
- Your schedule will be released to you in August before school starts

Next Steps

- Review your child's schedule requests by January 24th
- Talk with your child about course options, pathways, and career interests
- Reach out to your child's high school counselor if you have any questions

THANK YOU
