

School District of New London

A vibrant graphic for Summer School 2018. The background is a gradient from light blue at the top to light orange at the bottom, representing a beach. The word "Summer" is written in a large, white, cursive font, with a yellow life ring around the letter 'S'. The word "School" is written in a smaller, white, cursive font below it. The year "2018" is written in a bold, white, sans-serif font at the bottom center. Various summer-themed icons are scattered around the text: two palm trees on the left, a sun with rays in the center, a pair of blue sunglasses on the right, a slice of watermelon on the right, a red starfish on the bottom left, and a slice of lemon on the bottom center.

Summer School

2018

REGISTRATION

REGISTRATION DEADLINE IS SUNDAY, MAY 6, 2018

All students that live in the School District of New London during the summer months are eligible to attend summer school.

Registration will be available through Family Access Accounts. If you are new to the district, from a private school, or attend a different district during the school year, please complete a printed enrollment form found at <http://www.newlondon.k12.wi.us/parents/summerschool.cfm>

GRADE DESCRIPTIONS REFLECT THE GRADE THE STUDENT WILL BE ENTERING FOR THE 2018-2019 SCHOOL YEAR.

ENROLL NOW!

Many classes will fill up quickly; late registration may not be accepted. Final course offerings will be determined based on student enrollment and availability of staff. Parents and students will be notified if a course is cancelled.

A summer school schedule, along with room locations, will be sent home in mid-June. Students are encouraged to attend all sessions they enroll in.

Important Information

FREE SUMMER FOOD PROGRAM (Enrollment not necessary)

Feel free to call 982-8538 with any questions.

Learning does not end when school lets out. Neither does the need for good nutrition - which is crucial for children to have healthy and productive summers. The summer food program provides an opportunity to continue a child's physical and social development while providing nutritious meals.

Who can participate?

All children age birth through 18 are eligible to receive **FREE** meals. No need to sign up or apply for the program, just come and enjoy tasty and nutritious meals.

Dates & Times?

All meals will be served at Lincoln Elementary School from **July 9th - August 3rd**.

Breakfast will be served from 7:45 - 8:30 a.m.

Lunch will be served from 11:30 a.m. to 12:00 p.m.

Introduction

The purpose of The School District of New London Summer School Program is to provide opportunities for learning beyond the traditional school year. With a commitment to **Success for all Students**, all ability levels should find something of interest. Courses are designed to offer enrichment and intervention of skills as well as expose students to new applications of knowledge and talents. All courses meet Monday through Thursday with Field Trip Fridays unless otherwise noted.

Field Trip Fridays

Students entering grades K- 8

Students will interact at Mosquito Hill Nature Center for activities and instruction related to the environment and the world around them. All are welcome to attend and should plan to dress according to the weather.

Busing

Limited busing will be provided for elementary students from designated pick up/drop off sites to aid parents in transporting their child to Lincoln Elementary School. Busing is only available during the July 9th - August 3rd sessions. Please see the busing schedule on the district website. Carpooling to and from pick up/drop off sites may be necessary and should be coordinated among parents.

K-8 Class Offerings

July 9th - August 3rd

3-Hour Classes

GETTING READY FOR KINDERGARTEN (3 hours)

Students will be exploring and reviewing all of the “muscles” they need for Kindergarten! From fine motor skills, to social skills, to academic skills – we are sure to prepare our bodies and brains for all that Kindergarten will bring! Student must be enrolled in 5-year-old Kindergarten for the 2018-2019 school year.

GETTING READY FOR FIRST GRADE (3 hours)

Students will practice skills that will allow them to hit the ground running in first grade this fall. Student must be enrolled in First Grade for the 2018-2019 school year.

Child Development

Students Entering Grades 6-12

Time: 8:30 - 11:30 a.m. 3 Hours

Students will have the opportunity to learn about child development and safety related to childcare. This course will include the opportunity to add Red Cross Babysitting Certification. HS students who also complete the final paper and all course assignments will also have the opportunity to earn a 0.25 elective credit.

District Nondiscrimination statement

The School District of New London does not discriminate on the basis of sex, color, race, religion, age, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

K-8 Class Offerings

July 9th - August 3rd

Programs for grades 2-8 students should choose 3 courses to be considered full time in summer school. Classes will run from 8:30- 11:30 Monday-Thursday, July 9th - August 3rd unless otherwise noted.

i-Ready

Students entering grades 2-6

Students interested in continuing to work on their skills or get ready for the upcoming year are encouraged to sign up for this course where they will customize their goals to continue growth in Reading and Math with additional instruction on study skills.

Math and Literature - A Perfect Match

Students entering grades 2-6

Find the math adventures that await you while also enjoying great books. You'll learn the secret of how Math and Literature are a match for each other. Adventures await you!

Let's Learn about Sports & Fitness

Students entering grades 2-6

This class not only teaches students about playing sports, but also about staying healthy and fit. Learn to develop a fitness plan, eat healthy and stay fit.

Beginner Piano

Students entering grades 2-6

Would you like to learn the basics of playing music on the piano keyboard? Then this beginner music class is for YOU! Join us in learning fun, basic piano melodies that will impress your friends and family!

TechTime

Students entering grades 2-6

Students will explore a variety of creative technologies. Making movies on iPads, experiencing virtual reality, and coding with robotics are a few that will be explored. This course is designed for creative individuals who want to learn and use technology to express their ideas.

Bringing Fairy Tales to Life through STEAM

Students entering grades 2-6

Students will connect familiar fairy tales with science interactive activities to explore and connect to the world of Science, Technology, Engineering, Agriculture, and Math.

K-8 Class Offerings

July 9th - August 3rd

Guitar for the Beginner

Students entering grades 4-6

Learn how to play the guitar. We have guitars for you to use or bring your own. What a great way to spend your summer mornings! Let's see how many songs you can learn.

Ooey Gooley Science

Students entering grades 2-6

Enjoy creating sticky, gooey substances and learn important concepts of science at the same time. You'll be amazed at what you create.

Mindful Learners

Students entering grades 2-6

In Mindful Learners students will learn about the best state of alertness of both the body and emotions for different situations they experience throughout their day. The lessons and learning activities are designed to help students recognize when they are in the different zones/states of mind, as well as learn how to use strategies to change or stay in the zone they are in. The students will be learning calming, mindful, and alerting strategies and improve their problem solving skills.

Cooking with Literature

Students entering grades 2-6

Students will explore cooking opportunities through literature. We will study/write about books, learn how to read recipes and using baking supplies to create food of their own.

Happy Healthy You

Students entering grades 2-6

Students will learn the basics of yoga and learn different techniques to help them relax, manage stress and anxiety. We will incorporate journaling as a reflective tool to sustain happy, healthy habits for life.

Happy Healthy Heart

Students entering grades 2-6

Students will experience different aerobic exercises including: step aerobics, kick boxing, dance and active play activities. Our focus will be learning how to keep our heart healthy and happy. We will learn heart healthy habits and share through writing and journaling. We will feature special guests to introduce us to new activities.

K-8 Class Offerings

July 9th - August 3rd

I Want to be an Illustrator! Students entering grades 2-6

"I Want to be an Illustrator!" This class combines the love of books with the love of art. Students will be read aloud a new story each day and then will get to let their creative side shine as they create art to illustrate the book.

Lights Camera, Action! Students entering grades 2-6

In this class, we will create our own puppets, build our own set for a show . . . and most importantly, perform! This will be a creative time to work with friends making puppets to perform in a play for our other elementary friends.

Spanish Adventures Students entering grades 2-6

Classroom curriculum will be based on a beginner level instruction in Spanish. Students will focus on the basics of Español in order to have them become equipt beginners of a new language venture. Class will revolve on constant exposure to the Spanish language along with many Hispanic traditions, crafts, and culture. Get ready for a fun-filled learning Spanish Adventure!

Board No More Students entering grades 2-6

Students will be introduced to new and old board games and apply skills of probability, problem solving and decision making. Games will range from classic board games to lively card games, as well as games that will take them outdoors. Come join the fun!

Rock it with Reading Students entering grades 6-8

Reading over the summer will keep you engaged in your personal goals, you will also have access to iReady to check in on your success

Skills for Success and Career Exploration Students entering grades 6-8

Students will work to discover their talents and interests related to careers as well as hone in on study strategies that may help them in the future.

K-8 Class Offerings

July 9th - August 3rd

Making the Most of your Math

Students entering grades 6-8

working on math skills over the summer will keep you engaged in your personal goals, you will also have access to iReady to check in on your success

Ready, Set, Write!

Students entering grades 5-8

This class will meet **Monday - Thursday** at Lincoln Elementary to allow students access to other courses available in the elementary program.

Reading inspires and teaches us how to write, students will read inspirational texts (YA books, or whatever they want to read) to guide their creative writing. Students will see how reading can lead to more creative writing trends. This is a great class to explore your personal interests and talent.

Create Make, Van Gogh

Students entering grades 2-6

Are you the next Van Gogh? Maybe a Picasso. Art is its own language that speaks to everyone around the world. Come, relax, create and learn to speak a new language while releasing your inner artist.

Special Offsite Courses

These Courses have unique schedules and locations. Please read carefully. Transportation to locations other than Lincoln Elementary will not be offered. These are open to a variety of grade levels, please use caution to read details.

Gateway Academy

Grades: Entering grades 5-9 **Location:** New London Intermediate/Middle School
Dates: July 9th - July 20th **Time:** 8:30 - 11:30 a.m.

Students will explore events such as robotics, coding, engineering and the exciting activities included in PLTW Gateway. This Two Week Course takes place the first 2 weeks of the traditional program and is held at the ISMS.

Coding and Gaming

Grades: Entering grades 4-8 **Location:** New London High School
Dates: July 23- August 3 **Time:** 8:30-11:30 a.m.

Did you know you can create your own computer projects? Learn the skills you need with Basic Game 101. We will be utilizing Scratch to understand basic computer coding with loops, conditionals, and variables. This course takes place in the 2nd two weeks of the traditional schedule but held at the HS.

Summer Ceramics

Grades: Entering grades 6-12 **Location:** New London High School
Dates: Fridays in June **Time:** Noon - 3:00 p.m.

Students interested in exploring or enriching their experience with ceramics and pottery should consider signing up for this course. With 3 hours in the art room, purposeful projects become a reality.

Mural Painting

Grades: Entering grades 7-12 **Location:** New London Intermediate/Middle School
Dates: July 9th - July 20th **Time:** 8:30 - 11:30 a.m.

Students will collaborate and complete a mural to decorate the halls of Lincoln Elementary. You will need to interview to be selected for this opportunity.

CAMP INVENTION

Please request a flyer from your office.

Special Offsite Courses

These Courses have unique schedules and locations. Please read carefully. Transportation to locations other than Lincoln Elementary will not be offered. These are open to a variety of grade levels, please use caution to read details.

Maintain Your Mower – Basic Lawn Mower Maintenance (15 hours)

Grades: Entering grades 7- 12 **Location:** New London High School

Summer is the time outdoor power equipment is most used, but it also requires routine maintenance to make it to the next season. This course will cover safety in operation and servicing of walk behind and riding mowers, and how-to change oil, sharpen blades, service air filters and clean carburetors. Students are encouraged to bring their own mower to work on. Safety glasses are required.

Strength and Conditioning

Grades: Entering grades 7-12

Please see separate Flyer for information.

All sessions will be at New London High School. Meet each day in the Bulldog Fitness Center. Parents will need to complete the permission form found on the district web page under parents, forms/resources and click on Summer School.

*June 11th, 12th, 14th
July 9th, 10th, 12th*

*June 18th, 19th, 21st
July 16th, 17th, 19th*

*June 25th, 26th, 28th
July 23rd, 24th, 26th*

July 2nd, 3rd

Basketball Drills and Skills

Grades: Entering K-8

Dates: June 12-14, 19-21, 26-28,
July 3, 5

Location: New London High School

Time: K-2 (12:00 - 1:00), 3-5 (1:00 -2:00),
6-8 (2:00 - 3:00)

This will be a basketball class focused on providing each student with instruction in fundamentals and strategies. For fun and enjoyment, the students will compete in contests, challenges, and games. This class is designed to be both educational and fun for all students involved.

2018 Summer School Strength & Conditioning

The class is offered to students entering 8th-12th grade for the 2018-2019 school year.

	Time	Days	Grade
Session 1	7:30-8:45a	Monday, Tuesday, Thursday	9 th , 10 th , 11 th , & 12 th grade
Session 2	8:45-10:00a	Monday, Tuesday, Thursday	9 th , 10 th , 11 th , & 12 th grade
Session 3	10:00-11:15a	Monday, Tuesday, Thursday	8 th & 9 th grade

9th grade students with weight training experience may attend Session 1, 2, or 3

The fitness center will be open to participants in Session 1, 2, and 3 each Wednesday from 7:30-9:00a. This will provide students time to complete workouts that were missed or to participate in a challenge activity. Instructors will be available for assistance.

See Mr. Marsh or Mrs. Yerkey to attend a different grade level session (carpool, class with a sibling, etc.)

Location and Dates

All sessions will be at New London High School. Meet each day in the Bulldog Fitness Center.

June 11th, 12th, 14th

June 18th, 19th, 21st

June 25th, 26th, 28th

July 2nd, 3rd

July 9th, 10th, 12th

July 16th, 17th, 19th

July 23rd, 24th, 26th

Requirements

- 1) A signed "Summer School Strength & Conditioning" enrollment form
- 2) Appropriate activity clothes and shoes
- 3) Medical needs, if necessary (inhaler, epi-pen, diabetic kit)
- 4) An electronic device that has internet/wifi capabilities (phone, tablet, laptop/chromebook). Please let us know if you will need an electronic device.

Course Description

The Summer School Strength & Conditioning class will provide instruction for students to participate in a strength and conditioning program. Each student will have an individualized program developed by Volt Athletics which is accessible via computer, tablet, or smart phone device. Students will improve their fitness levels while focusing on teamwork, responsibility, work ethic, discipline, and a positive attitude. An emphasis will be placed on strength, agility, speed, plyometrics, flexibility, core development, and injury prevention.

Objective

To provide a safe and structured environment to improve overall fitness levels while promoting the knowledge needed for lifelong physical activity. Quality instruction and supervision on the proper techniques of strength training and conditioning, as well as various training and fitness methods are geared to meet individual student goals.

Music and Drama

These Courses have unique schedules and locations. Please read carefully. Transportation to locations other than Lincoln Elementary will not be offered. These are open to a variety of grade levels, please use caution to read details.

Summer Show Choir

Grades: Entering grades 3-12 **Location:** New London Intermediate/Middle School
Dates: July 23rd - August 3rd **Time:** Grades 3-6 (1:30pm - 3:30 pm)
 Grades 7-12 (11:30am - 1:30pm)

Grades 3-6: Like to sing and dance? Want to learn and know more about being a performer? Join show choir for beginners! We will work for 2 weeks on learning the basics of performing through different songs and dance steps. The class finishes with two performances of the show for the public to showcase all that the students have learned. Students will gain the knowledge of all aspects of show choir and musical performance while in this class.

Grades 7-12 : Would you like to learn and gain more practice as a performer? Do you enjoy singing and dancing? Are you a current or former member of Vocal Motion or Vision? Come join summer show choir! This class is for any student entering grades 7-12 who has at least some performing experience in choir or on stage. We will take two weeks to create and learn a show choir show. We will also talk about and practice some of the more advanced elements of performing in a large group, small group or as a soloist. The class finishes with two performances of the show for the public to showcase all that the students have learned.

**KIDS from WI experience.
July 26, 2018 from 3:30 - 4:30
All Grades Welcome**

The KIDS from WI will present an outreach activity to engage students in the KIDS experience, both band, sound and lights or singing as they prepare for their 6:00 p.m. show. This experience is made possible by the Lion's Club of New London.

Marching Skills

Grades: Entering grades 9-12 **Location:** New London High School
Dates: August 13-17 **Time:** 8:00 a.m. - Noon

Students in the NLHS band will jump start their school year and begin working on preparation for games, Homecoming and other special events.

Music and Drama

ISMS Summer Band Experience

(ALL ISMS Band Students)

You will be automatically enrolled in this event, please save the date.

Grades: Entering grades 5-8

Location: New London Intermediate/Middle School

Dates: August 6-10

Time: Beginners 9-11:30 AM & 6-8th 1-3:30 PM

All band students will want to take advantage of this opportunity for small and large group instruction tailored to their instrumental skills. All students enrolled in band will be enrolled in this week to assure they are ready for the Fall!

More information will be sent home with all current and incoming band students from the band department.

Summer Drama

Alice In Wonderland

This experience is hosted by the Wolf River Theatrical Troupe, Inc.

AUDITIONS for Students Entering Grades 4th - 12th

May 21st and May 22nd

One-hour interactive auditions will be held each day at 4pm, 5pm, and 6pm at the Real Opportunities building located at 304 St John's Place, New London, WI.

Parents are encouraged to show up at the tryouts for any questions they might have.

There are four shows the week running from July 18th-21st. Most of the rehearsals and the shows will be at the High School. Rehearsal times will be shared at auditions, but begin June 4th.

Questions or schedule concerns (audition or rehearsals): contact Chris Renner at 920-428-0446 or by email: unionabel@yahoo.com.

We will register you for this course after auditions are secure!

Catalyst Academy

Location

These courses are held at Catalyst Academy

Although intended for HS students, 7-8 grade students could participate but would not have the opportunity for credit.

Lit Workshop

Grades: Entering grades 9-12

Dates: June 5 - June 22

Location: Catalyst Academy

Time: 8:30 - 10:00 a.m.

Students will read, react and discuss novels. This is a great manner to fulfil graduation requirements as well as keep your reading fluency and stamina in check over the summer. High School students who complete the required outside of class assignments and final essay, will be eligible for 0.25 credit in English.

Online Courses & Credit Recovery- Catalyst Students ONLY

Grades: Entering grades 9-12

Dates: June 5 - June 22

Location: Catalyst Academy

Time: 8:30-11:30

Students considering Catalyst or preparing for GED Option 2 in the fall should consider enrolling in this option. It will also allow current Catalyst students to continue their online courses throughout the summer months.

History in the Movies

Grades: Entering grades 9-12

Dates: June 5 - June 22

Location: Catalyst Academy

Time: 10:00- 11:30

This elective course will allow students to explore the relevance of history as represented throughout the movies. High School students who complete the required outside of class assignments and final essay, will be eligible for 0.25 credit of elective credit.

Current Events in Psychology and the Courts

Grades: Entering grades 9-12

Dates: June 5 - June 22

Location: Catalyst Academy

Time: 8:30-10:00

Students will explore current events including Supreme Court Cases and current trends and challenges in Psychology. High School students who complete the required outside of class assignments and final essay, will be eligible for 0.25 credits in social sciences.

High School Courses

Summer Ceramics

Grades: Entering grades 6-12

Location: New London High School

Dates: Fridays in June

Time: Noon - 3:00 p.m.

Students interested in exploring or enriching their experience with ceramics and pottery should consider signing up for this course. With 3 hours in the art room, purposeful projects become a reality.

Mural Painting

Grades: Entering grades 7-12

Location: Lincoln Elementary School

Dates: July 9 - August 3

Time: 8:30 - 11:30 a.m.

Students will collaborate and complete a mural to decorate the halls of Lincoln Elementary.

Child Development

Grades: Entering grades 6- 12

Location: Lincoln Elementary School

Dates: July 9 - August 3

Time: 8:30 - 11:30 a.m.

Students will have the opportunity to learn about child development and safety related to childcare. This course will include the opportunity to add Red Cross Babysitting certification, and will include hours to add 0.25 credit for HS students who also complete the final paper and all course assignments.

Teacher Assistants

Grades: Entering grades 9-12

Location: Lincoln Elementary School

Dates: July 9 - August 3

Time: 8:00 - 11:30 a.m.

Students will earn 0.25 elective credit for their time as a teacher assistant. They will help facilitate learning for students in classrooms.

Snap-On Multimeter Certification and Basic Electrical Troubleshooting (15 hours)

Grades: Entering grades 8-11

Location: New London High School

Dates: June 11-15

Time: 8:00 -11:00

For detail information please visit <https://www.snapon.com/Education/Certifications.html>
The digital multimeter is one of the most used tools in engineering and industry. It's use is part of the NLHS PLTW Principles of Engineering and Exploration of Electricity curriculums. This course will instruct and certify (from Snap-On directly) students in the safety and operation of the multimeter. An online exam is administered at the conclusion of instruction. In addition, meters will be used to diagnose some common electrical problems such as blown fuses, open circuits and shorts.

High School Courses

Credit Recovery/Rescue

Grades: Entering grades 9-12 **Location:** New London High School
MONDAY - THURSDAY

Session 1: June 6- June 29 Time: 8:30-11:30
Session 2: July 9- August 3 Time: 8:30-11:30

Students will have the opportunity to recover courses or may need personalized access to content, will be allowed to work in a hybrid model of instruction utilizing blended learning and individual course remediation.

Applicants must be approved by their counselor and administrator for this Opportunity, but should register to show interest and commitment.

Adventure 2- Phy Ed Course

Grades: Entering grades 9-12 **Location:** New London High School
Dates: June 5- June 29 **Time:** 8:00-3:30

This meets the requirements of Adventure 2. Students will report from 8:00- 3:30 each day. They will be expected to bring a lunch each day. On June 26 students will leave to camp overnight at Devils Lake and return June 29. Additional paperwork, permission slips and \$30 for supplies for the trip are required.
Prerequisite: Successful completion of Adventure 1.

Online Health

Grades: Entering grades 9-12 **Location:** New London High School
Dates: TBD by teacher

One semester of Health is required for graduation for all students in New London. Students needing this option will work with their counselor and instructor on a learning plan for hybrid instruction over the summer.

Intro to Metals 1A

Grades: Entering grades 9-12 **Location:** New London High School
Dates: June 6 - June 29 **Time:** 8:00 - 11:30 a.m.

Students will fulfil a semester of metals over the summer months. This can accelerate their progress in the Career and Technical Education program or allow for an additional course to be taken in their regular schedule. Students will earn 0.5 credits in this course.

Maintain Your Mower – Basic Lawn Mower Maintenance (15 hours)

Grades: Entering grades 7- 12 **Location:** New London High School
Dates: June 18-22 **Time:** 8:00 - 11:00

Summer is the time outdoor power equipment is most used, but it also requires routine maintenance to make it to the next season. This course will cover safety in operation and servicing of walk behind and riding mowers, and how-to change oil, sharpen blades, service air filters and clean carburetors. Students are encouraged to bring their own mower to work on. Safety glasses are required.
