New London is proud to have the 1:1 Chromebook initiative. With appropriate paperwork students will be issued a chromebook for educational access to their courses. They will also be issued a charger and protective case. The following items are also suggested for students attending grades 9-12.

- Pens (black or blue, and red for correcting)
- Pencils
- Colored Pencils
- Highlighters
- Folders or binders
  - Binders are recommended for most classes over folders to allow students to organize work, notes and study tools.
- Notebooks
- Post-It notes
- Composition notebooks (AP Lit & Physics)
- Earbuds or headphones
- Wireless/portable mouse (if preferred for chromebook use)
- All math classes require a calculator, teachers have them for classroom use, but it is recommended that students purchase their own for use throughout the 4 years.
  - Scientific Calculator with Trig Functions (TI-30XII) for classes before Pre Calculus (est $10)
  - TI-84+ or TI-84+CE graphing calculator for Precalculus, AP Calculus, and/or AP Statistics and beyond (est $100)
- Safety glasses for any Technical Education and/or Science courses
- Other specific materials for elective courses will be shared in the first week of class.
- Students may decide to purchase books from their English courses to allow them access to mark and note within the book.

Other items that will be used in the classroom and are provided by the school are listed below; donations are always appreciated and accepted.

- Notecards
- Dry-erase markers
- Glue/tape
- Lab notebooks
- Kleenex
- Graph and looseleaf paper
- Textbooks
- Novels
