

EDUCATIONAL OPTIONS

State law (Wis. Stat. §§ 115.385 and 118.57) specifies that annually every public school, including charter schools, and each private school participating in a Choice program is to provide parents and the public with required notices to include information on the following: Parents Right to Know, Special Needs Scholarship, educational options, State Accountability Reports, and recognition of academic standards.

The School District of New London will adhere to state and federal law in this respect in the following manner:

1. Annually, prior to the beginning of the school term, the School District of New London will notify the parents and guardians of pupils enrolled in the school district of the pupil academic standards, adopted under s. 118.30 (1g) (a) 1., that will be in effect for the school year and include as an item on the agenda of the first school board meeting of the school year. At this same time the Educational Options for the district will be updated and shared on the district website to address all notices.
2. Upon the public release of the State Accountability Reports and by January 31, the School District of New London will again update and release the Educational Options adding the latest Accountability Scores reported by the State of Wisconsin.
