

SUPERVISION OF STUDENTS

When students are in school, engaging in school-sponsored activities, or traveling to and from school on school buses, they are responsible to the school and the school is responsible for them.

The Board expects all students to be under supervision by an assigned employee of the district when they are in school, on school grounds during school hours, traveling under school auspices, or engaging in school-sponsored activities. School personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised unless reasonable arrangements are made.
