

WISCONSIN TECHNICAL EDUCATION EXCELLENCE SCHOLARSHIP

- A. The School District of New London, in compliance with State Statutes, will incorporate the following criteria for selecting the recipient of the Wisconsin Technical Excellence Scholarship. This scholarship will be used to assist with tuition and fees for as long as the recipient meets the established Wisconsin Statutes Administrative Code Chapter 9 Higher Education Aids (HEA 9) Wisconsin Technical Excellence Scholarship criteria.
- B. The number of seniors permitted by state law with a demonstrated exemplary level of proficiency in technical education subjects, as determined under these procedures, will be selected as the high school's designee(s) to receive the Wisconsin Technical Excellence Scholarship. Any ties will be broken and alternates will be designated as further provided by law and in these procedures. A student who receives a Technical Excellence Scholarship is not eligible to receive a Wisconsin Academic Excellence Higher Education Scholarship, and vice versa.
- C. The District's designation of its scholar(s) and alternatives is not a final determination that the student has met, or will meet, all applicable requirements for receipt of the scholarship funds. If a senior selected for the scholarship declines the scholarship or is determined to be ineligible for the scholarship for any lawful reason, the Wisconsin Higher Educational Aids Board (HEAB) may award the District's scholarship to a designated alternate recipient.
